NOI SOSTENIAMO IL FAI - FONDO AMBIENTE ITALIANO

N.E.T. Ltd. this year decided to support the **FAI – The Italian National Trust** - by adhering to the corporate membership program **Corporate Golden Donor**. Together with FAI, we would like realize a big protection's project, which represents also an ambitious cultural challenge: **make Italy a more beautiful place to live, work and bring up our children**. The natural and cultural Italian heritage, protected and promoted by FAI, represents a the most important resource to invest on to develop and valorize our beautiful country. Thanks to the help of its many supporters, both private citizens and Companies, the FAI has been protecting an managing 56 Italian cultural sites, since 40 years.: many important historic and artistic settlements had been saved from carelessness, restored, protected and opened to the public.

**Every day, the FAI is committed to protect and to make accessible** all artistic, natural and cultural jewels which are located in the countryside, the cities and the coasts of our beautiful country; **to educate and sensitize** the community to the knowledge, the respect and the care for art and nature, **to convey the demands of civil society by guaranteeing and by being actively present on the territory**.

**We want a more protected and a more beautiful Italy.**

**We work with FAI to build it.**
