

For the second straight year, a team of N.E.T. employees will compete in the Relay event of the Milano Marathon Charity Program.

The initiative will fund and raise awareness for www.fondazioneferrario.it, a private nonprofit organization supporting elder people suffering from Alzheimer's disease and other forms of dementia. The 42.6 km race will take place in the morning of April 8th and will run through downtown and west Milano.

4 employees/athletes will complete the legs and will then reunite in the “Indro Montanelli” Gardens to cross the finish line together and with the people from the Charity organization.

The legs will unfold as follows:

1st leg: corso Venezia >> via Mario Pagano (13.0 km)

2nd leg: via Mario Pagano >> via Federico Caprilli (11.2 km)

3rd leg: via Federico Caprilli >> via Benedetto Croce (6.7 km)

4th leg: via Benedetto Croce >> corso Venezia (11.3 km)
